Attached is the latest draft copy of the Duramax glovebox information supplement.
The final will be available after May 11. I will re-forward at that time.

Thank you -

Jason -

No problem.. just asked for the latest version (they call it an extract). It's still in revision. May 11 is the target final for printer.

We had a meeting to correct the version I am sending.

Our glovebox group said they would send the latest PDF tomorrow AM.

I will forward as soon as it comes in.

Thank you-

Rob
